To Advertisers.—The Vermont Daily Transcript has the largest circulation in St. Albans, and in Franklin County, of any daily paper, and is on that account, if no other, the best medium for advertising.

Local Items.

OUR DAILY.—Those wishing to secure copies of our daily paper can do so at Merrillfield's and Baker's bookstores, as well as of carriers, and at the office. Copies of our weekly paper may also be had at these places.

DR. MCGOWAN'S DENTAL ROOMS.—The dental rooms of Dr. McGowan have recently undergone some important improvements. The reception room has been newly papered and the floor covered with a new and handsome carpet, making it altogether a very pleasant place in which to wait your time for teeth repairs. The operating room has a new chair of the latest style. The work room is furnished with complete machinery (Sprague's) for the manufacture of "laughing gas," by taking which your molars can be extracted without pain or danger. The Dr.'s rooms for convenience and "good looks" will compare favorably with any in the State.

THE funeral of Jeremiah French, of Burlington, took place this forenoon at 10 o'clock, from his late residence.

THE Good Templars hold their weekly meeting to-night, instead of Friday.

SOMETHING new for Christmas, at H. L. Samson & Co's. Toys of all kinds. Large stock of confectionery—wholesale and retail. Splendid stock of meerschaum pipes, remember.

You will find at the Lake St. Drug Store a full assortment of fancy goods for the holidays.

OBITUARY.—Mrs. Clark, wife of Jed P. Clark, the popular hotel keeper at Highgate, died on Monday evening at 10 o'clock. She complained of being dizzy, and laid down and died almost instantly. Mrs. Clark was a woman who was generally beloved by all who had the pleasure of her acquaintance, and those who have been in the habit of stopping at Mr. Clark's will read the announcement of her death with sorrow. Her funeral takes place to-morrow, at 10 o'clock, a. m. Her remains will be taken to Shelton for interment.

MR. A. I. PARSONS, a respectable citizen of Berkshire died suddenly—probably from heart disease—on Friday afternoon of last week. A correspondent informs us that he was found dead on a load of wood which he had just drawn to his house. Mr. Parsons was 62 years, and he formerly represented Berkshire as our State Legislature.

REV. STEPHEN H. TYNO lectured before the Young Men's Christian Association of Rutland on Monday evening on "John Bunyan and his relations to certain lives issues of the Church and State at the present time." The speaker declared that the Church which exacts any dogma not vital to Gospel salvation is an enemy to the Christian faith. He closed with the following sentence: "From intolerance of thought, opinion or freedom of conscience, whether it be hoary with age or of modern origin, Good Lord deliver us."

HON. W. C. SMITH introduced into the House on Monday a bill providing for the payment of horses lost by certain officers in the service of the United States. It was referred to the Committee on Military Affairs.

ADMITTED TO THE BAR.—James M. Slade, Jr., of Middlebury, and George R. Chapman, of Vergennes, were admitted to practice of law at the Addison County bar, on Wednesday, of last week.

THE HOMICIDES IN FLETCHER.—In commenting upon the recent killing of Boomhour in Fletcher, the Richmond Sentinel says:

This is the fourth case of manslaughter that has occurred in Fletcher within the last few years, and all seem to turn out about the same. In the case of the murder of Bailey by Scott, a (brother-in-law) of Boomhour, Scott was not found guilty. Chase was murdered by Fulton, but the law failed to do justice. The killing of Mrs. Madden by her husband was not proved, but he was convicted in the minds of the people. And now Boomhour is the fourth victim.

The killing of Chase by Fulton near Fletcher Pond about twelve years ago, is still fresh in the minds of the people—but the law failed to do justice, why? Immediately after the commission of the horrible deed, Fulton fled to the woods, and though diligent search was made by the officers of justice to find him he succeeded in eluding them for ten days or more. At length, when he was discovered behind a log in the forest he took justice into his own hands before he could be secured, and died upon the spot.

We have nothing to say in defence of "Fletcher justice" which must pass into a proverb. Thomas Ryan who caused the death of Boomhour last week near this historical pond, by beating him, had his examination at Fletcher and was held in the sum of \$100, for his appearance at the next term of County Court. Patrick Ryan and Truman Ellis who were present at the affray were deemed accessories, and were each held in the same sum for trial.

WIDOWS.—The Barton Standard is responsible for the following.

A house in Barton village is occupied by four widows; the youngest is over six; all are well off; all four are professors of religion, and there is no quarreling among them.

OLD COIN.—A. K. Drury, of Greensboro, has in his possession a silver medal, says the Barton Standard, which he picked up in 1855 in the depot at Columbus, Ohio, after a train of German emigrants had passed. It is of purest metal, of an oblong or pear shaped form, inscribed with Greek characters, and bearing the number or date of 1786. It is a curiosity for antiquarians.

WEST RANDOLPH.—The village of West Randolph is one of the smartest business places in Vermont, and is still looking upward. The Messrs. Salisbury have laid a foundation for a new furniture shop and saw mill, 60 by 120, to be propelled by a 60 horse-power engine, and employ 50 hands.

SOMETHING new for Christmas, at H. L. Samson & Co's. Toys of all kinds. Large stock of confectionery—wholesale and retail. Splendid stock of meerschaum pipes, remember.

FAST GROWTH.—Jacob Hovey, of St. Johnsbury, has a Durham calf which weighed at birth only 49 lbs., but when five months old 448, at six months 555, at seven months 620 lbs. He was brought up on sour milk.

THE Orleans County Agricultural Society holds its annual meeting at Barton, on the first Tuesday in January.

ANOTHER RAILROAD PROJECT.—A project is on foot to connect Claremont with Gasset's or Cavendish, via Springfield and Black River. A committee has been appointed to go to Concord, N. H., to negotiate with the Hon. Onslow Stearns in reference to its eastern terminus, and another committee appointed to lay the project before the Rutland railroad.

Meeting of the Chittenden County Bar.

RESPECT TO THE MEMORY OF MR. FRENCH.

A meeting of the Bar of Chittenden County called for the purpose of taking proper notice of the death of Jeremiah French, was held Tuesday forenoon.

A committee of four, consisting of Hon. Daniel Roberts and E. J. Phelps, William G. Shaw and R. S. Taft, Esqs., were appointed to prepare and present to the meeting for adoption, suitable resolutions expressive of the feelings of the bar with reference to the decease of their late associate, Mr. French.

SOMETHING new for Christmas, at H. L. Samson & Co's. Toys of all kinds. Large stock of confectionery—wholesale and retail. Splendid stock of meerschaum pipes, remember.

The committee reported the following resolutions which were unanimously adopted:

RESOLUTIONS.

Resolved.—That in the death of our brother, Jeremiah French, Esq., the Bar of this County and of the State have lost one of the most promising and brilliant of its members, one whose genius for the law was native to him, and had been cultivated by diligent and discriminating study. For his merits as a lawyer, and his many generous and agreeable qualities as a man and social companion, the Bar of this County will ever tenderly cherish his memory.

Resolved.—That we will attend the funeral of our brother French in a body, wearing the customary badge of mourning.

Resolved.—That these resolutions be presented by the Chairman to the Supreme Court at its next session in this County, with the request that they be ordered to be inscribed on the records of the Court.

Resolved.—That a copy of these resolutions be transmitted to the widow of the deceased, and also to the Press of the city for publication.

R. S. Taft, Esq., was appointed a committee to make such arrangements as were necessary for the attendance of the bar upon the funeral. Hon. Daniel Roberts acted as President of the meeting and Charles E. Allen, Secretary.

Canadian Items.

Mr. J. W. Beaundry has been appointed Assistant Judge of the Superior Court, Montreal.

The dwelling house of Mr. Jno. Patterson, near the village of Cowansville, took fire and was burned to the ground with all its contents, on the afternoon of the 3d inst. Loss about \$2,000; no insurance.

At a meeting of the Municipal Council of Frelighsburg, recently held, a petition was presented, signed by all rate payers in the Municipality, with a single exception, praying that the board pass a by-law for taking stock in the Missisquoi Junction. The Council granted the petition.

The "Daily World" is the title of a new paper published in Toronto, claiming to be the working-man's organ.

An insane woman in McGillivray, Ontario, cut off her little one's head on the first instant, because her husband had said that when the child was 12 years old he would have to go out to work.

On the 4th inst., Capt. P. Smith's Company, of the West Parish, assembled at the Frontier Hotel, Pigeon Hill, where were also collected many of the young men of the vicinity who have not heretofore taken part in the volunteer movement, to organize under the new Militia Act. Short and stirring speeches were made by Col. Fletcher, B. Chamberlin, Esq., M. P., and Dr. N. A. Smith, of Frelighsburg, all urging the necessity of helping in the movement and giving the new law a fair trial. Captain Smith stepped forward and said he wished it understood that he enlisted for the term of his natural life. The junior officers followed, and the volunteering went on so briskly that, the News says, it was evident that the Company's roll would be filled without resort to the ballot.

Eminent men of science have discovered that electricity and magnetism are developed in the system from the iron in the blood. This accounts for the debility, low spirits and lack of energy a person feels when this vital element becomes reduced. The Peruvian Syrup, a protoxide of iron, supplies the blood with its iron element and in the only form in which it is possible for it to enter the circulation.

A young lady writing to her mother from Europe says: "Send me a dozen bottles of 'Barrett's Vegetable Hair Restorer.' What I took with me is all gone, and I cannot think of spoiling my hair by using any other." The judgment of all who have used Barrett's will confirm this lady's experience.—Boston Transcript.

Many years ago the writer of this notice and an invalid physician, while visiting the Island of St. Croix for their health, experienced and witnessed many surprising and beneficial effects of the Rum there produced upon many of the invalids who were, like ourselves seeking health, and upon inquiry and investigation, obtained a full history of its medicinal virtues. He was delighted and surprised, and determined to find the basis of a Tonic and Restorative Medicine. The result of his labors was a glorious success for himself and suffering humanity. The celebrated Plantation Bitters was thus made known to the world. Being an article of real merit, founded on new principles, and relying wholly upon the vegetable kingdom for its medicinal effects, it worked a rapid revolution in the treatment of physical debility.
